Dear Supporters and Friends,

We are thankful to have completed our first full month of “on the road” raising support for the work God has called us to in the Philippines. Our first Sunday back in the States we had the joy of presenting our work at Bethel Bible Church (Berwick, PA). Some of the greatest blessings of the past month have come from the fellowship our family has enjoyed with good friends over the weeks.

The first Sunday in October found us at Calvary Baptist Church (Bloomsburg, PA). This was a great opportunity for us to connect with a church that has had such an impact in our lives. Our children have attended Calvary’s Christian School (Bloomsburg Christian School) for the last 5 years, and we have been deeply grateful for pastors, faculty, and staff who have invested so much into our children. We enjoyed getting to spend the whole day with the folks at Calvary as I preached in Sunday School, as well as the Morning and Evening Services. The following Sunday we enjoyed presenting at Ebenezer Faith Bible Church (Orangeville, PA), and getting to know their pastor (Pastor Mike), and congregation better.

October 11-14 was the first “Missions Conference” we took part of. We cannot express how thankful we are for the wonderful folks at Freedom Baptist Church (Dundalk, MD). The outpouring of love upon our entire family is something that will stick with us for a long time! We are thankful for Pastor Secret’s dedication to his congregation and community as well as his desire to encourage missionaries (and their children)!

We are truly grateful for the ministry God has called us to and for this season in our lives.

Many of you have been praying about our house, and I wanted to give you an update on that front as well. After receiving a good offer on the house, the buyers backed out of the contract a week later due to some long-term concerns they had about our septic system. At that point we decided to rent out our home instead.

Although our initial desire was to sell the house (and this would have yielded tremendous short-term benefits), we recognize that the long-term benefits of renting our house out will far outweigh the short-term ones. After placing the home on Craigslist as a rental, we had a number of inquiries within a couple of hours, and we had a signed lease agreement within a couple of days. We are thankful for the Lord’s leading, as well as His provisions. Our tenants will be moving in on November 15. Please pray for us to get all of the packing finished once we return home from our trip to Colorado.

Thank you once more for your prayers for our family and your encouragement and support to us along the way!

Serving Christ,
The Valiantes
