

Dear Pastor or Ministry Leader,

I am the Pastor of Lighthouse Baptist Church in Newark, Delaware. It is our privilege to be the sending church of the Tim Valiante family to the Philippines.

I wholeheartedly recommend the Valiantes to you and ask you to consider partnering with them as they follow the will of God.

Tim was one of my teens when I was a Youth Pastor, and was called in his teen years to the ministry. After college, Tim earned a Master's Degree as he served as my Assistant Pastor for 7 years. The Lord then took him to serve as the Senior Pastor of Emmanuel Baptist Church in Millville, Pa. at which time he finished his Doctoral requirements.

Tim is a brilliant pastor and theologian and always desired teach on the college level. He is on deputation to be a college and seminary Professor with Pacific Rim Missions (Mark Kittrell) at Haven of Grace Seminary in the Philippines training national pastors.

Tim is supported by a Godly wife, Sarah, and family that are fully committed to ministry.

Please contact me if I can answer any questions for you, and thank you for considering this dear family.
