Dear Supporters and Friends,

This has been a month of transition. Although change can be difficult at times, I am amazed at how well each member of our family is doing in the midst of it all (this is certainly a testament to the grace of God at work in our lives).

In the middle of November, we were busily packing up our house in preparation for our tenant's arrival just before Thanksgiving. We sold almost all of our furniture. However, for our remaining belongings we partitioned our shed to create a spot for long-term storage. We were so thankful for the help and support of dear folks who invested their time to help us pack, organize, and clean. The kids even chipped in to help!

After finishing all of our work, we enjoyed a well-earned treat at one of our favorite spots: Friendly's. In the weeks following our move we have also been privileged to minister in a number of churches. We had a wonderful time at Kendall Park Baptist Church (Franklin Park, NJ) with the Browns and their church family on November 26. I was also glad to take part in a special service celebrating Pastor Tobe and Amy Witmer's 15th year of ministry at Lighthouse (our sending church), and 25th year of ministry overall.

Sunday, December 3 was a very special day for our family. On that Sunday we were given the opportunity to present our ministry (and preach) at Bensalem Baptist Church (Bensalem, PA). This was the place where I (as a 15 year old young man) came to know the Lord as my Savior. This church continues to make an impact in my immediate family since it is my parents' home church, along with my brother and his family. It was so good to be back, to see the work thriving under the ministry of Pastor Rodney Love, and to reconnect with so many folks who made such a huge impact in my life. This past week (December 10) we spent the weekend with a friend from college, Pastor Ben Hubble. We were glad to be with his family and the good folks at Noxen Bible Baptist Church (Noxen, PA), and I was encouraged to see his faithfulness to the Lord and commitment to his congregation and the community he is a part of.

One final note: Over the past few months, we had been looking for an affordable RV that our family could use in our travels (especially with our westward travels in the late summer / fall). After doing a good bit of searching, praying, and thinking, the Lord led us to a great deal on a Class C RV. It only has 19,000 miles and the generator only has 3 hours on it! We trust this will make the long hours of travel much easier on Sarah, the baby when he/she arrives, and the rest of the children.

Once more, thank you for your continued prayers for our family and support!
